Vision into action: A seven step Manitoba child care strategy [1]

Author: Child Care Coalition of Manitoba
Source: Child Care Advocacy Association of Canada [2]
Format: Report
Publication Date: 1 May 2001

AVAILABILITY
- Full paper in pdf [3]

Twenty-two thousand Manitobans responded to the government's recent "Vision Paper"...However, based on recent government statements, no immediate action plan is forthcoming. The Child Care Coalition of Manitoba has developed a seven-step provincial strategy for child care redesign to direct and move the political process.
