EXCERPTS

The Ontario government's five-year plan to create 100,000 new child care spaces will be the focus on a public meeting at Milton Sports Centre next Monday (Dec. 12).

Halton MPP Indira Naidoo-Harris welcomes parents of children 12 and under from 7 to 9 p.m. in the banquet room, where feedback will be sought on ways these new spaces can be created, along with a broader plan to help working families find quality, affordable care.

Light refreshments will be served, and free child care will be available.
