ISSUE file: 2002 provincial and federal budgets ^[2]

Provincial and federal budgets outline the economic state of the province and nation, and set out the priorities and plans for the future. Following are links to the provincial/federal budgets for 2002. This list will be updated as the budgets and other related documents become available.

* Budgets which have allocated spending in child care and/or early child development programs have been marked with a star.

Other budget-related documents containing content regarding child care and/or early child development programs have also been provided.
