

# Estimating parental leave in Canada using administrative data <sup>[1]</sup>

**Author:** Hou, F.; Margolis, R. & Haan, M.

**Source:** Statistics Canada

**Format:** Report

**Publication Date:** 31 Jul 2017

## AVAILABILITY

Full report PDF <sup>[2]</sup>

## Description

Papers in this series provide background discussions of the methods used to develop data for economic, health, and social analytical studies at Statistics Canada. They are intended to provide readers with information on the statistical methods, standards and definitions used to develop databases for research purposes. All papers in this series have undergone peer and institutional review to ensure that they conform to Statistics Canada's mandate and adhere to generally accepted standards of good professional practice.
