Overview

Today, Statistics Canada released the fourth round of data from the 2016 Census of Population. These new data continue to enhance Canada's statistical portrait by providing information on individual, family and household income for various levels of geography and demographic groups.

To access your local data, try some of Statistics Canada's great interactive tools such as the Focus on Geography Series, which provides a simple way to find data about your municipality.

Additional 2016 Census of Population data will be published on the following dates:

October 25, 2017—Immigration, ethnocultural diversity, housing and Aboriginal peoples

November 29, 2017—Education, labour, journey to work, language of work, mobility and migration.
