

Bill 4 Child Care Licensing Act ^[1]

Alberta

Author: Minister of Children's Services

Source: Legislative Assembly of Alberta

Format: government document

Publication Date: 20 Apr 2007

AVAILABILITY

- Bill 4 pdf ^[2]

This legislation establishes a new child care licensing model that shifts the emphasis from licensing facilities to one of licensing programs, reflecting that it is programs that offer the most benefit to children and families and not a facility. This act is awaiting proclamation, and the regulation is under development.
