

# How do you make people have babies? <sup>[1]</sup>

**Author:**

**Source:** The Inquiry, BBC News

**Format:** Article

**Publication Date:** 13 Jun 2018

## AVAILABILITY

Listen online <sup>[2]</sup>

## Description

More than half of the world's countries are not producing enough babies to offset the number of deaths.

Presented in four segments comes a review of policies from around the globe that have been designed to increase fertility rates. Tackling the 'motherhood penalty', family leave policies and child care are discussed in this context.
