

# National Child Benefit progress report: 2000<sup>[1]</sup>

**Author:** Federal/Provincial/Territorial Ministers Responsible for Social Services

**Source:** Government of Canada

**Format:** government document

**Publication Date:** 1 Apr 2001

## AVAILABILITY

Full report in pdf<sup>[2]</sup>

Federal, provincial and territorial governments across Canada have collaborated on the development of the National Child Benefit (NCB). It is directed to low-income families with children and has two main elements: increased federal benefits for families through the Canada Child Tax Benefit and provincial and territorial reinvestments in services and benefits for children in low-income families. This report evaluates the NCB and its initiatives during 2000.
