Questions for candidates

If elected, what will your government do to develop an inclusive approach that meets all the elements of the system - affordability, accessibility and quality?

If your party is elected, how many additional spaces will be licensed and funded for each child care centre and home-based program? Will your party commit to funding the existing 2691 unfunded spaces?

Will your government commit to a) implementing a workforce strategy that supports current initiatives and b) ensuring ECEs are compensated by their employers at a level that reflects their education and years of service?

What will your party do to ensure child care fees remain affordable to all Manitoba families?
