Description

For two decades, the UNICEF Report Card series has revealed the state of children and youth across high-income countries. In 2017, Canada ranked 25 th in the overall well-being of children and youth. UNICEF Report Card 16, to be released on September 3, provides the most recent, comparable assessment of the state of children and new insights about how Canada can “move the needle”. Join UNICEF Canada, Dr. Cindy Blackstock, Dr. Michael Ungar and other leading minds, across generations, for a participatory dialogue about what it will take.
