Details

The Learning Journeys Childcare Team invites you and your guests to the online premier of a short film created by and with immigrant women.

About this Event

You will be among the first to see this powerful film featuring 5 immigrant women, Emine, Camila, Harkamal, Thea and Parminder, who share their stories and challenges around accessing childcare, and the human capital and economic losses associated with the barriers they face.

Meet the women behind the scenes, and be a part of the movement towards quality, affordable childcare in BC.

We envision a vibrant, inclusive society, where women can shine to their full potential.
