

# Models for increasing child care worker compensation <sup>[1]</sup>

Charting civil society series, No. 8

**Author:** Montilla, Maria D.; Twombly, Eric C. & De Vita, Carol J.

**Source:** The Urban Institute <sup>[2]</sup>

**Format:** Report

**Publication Date:** 31 May 2001

## AVAILABILITY

Available in print for order (see SOURCE) and online for download.

- Full report in pdf and html <sup>[3]</sup>

Excerpt from news release: Child advocates are building public support, mobilizing workers, and shaping policy tools to improve both compensation and the quality of child care programs. Based on secondary data, Internet searches, and interviews with child advocates, this brief summarizes the initiatives that were underway at the end of 2000 in the 50 states and the District of Columbia.

**Region:** United States <sup>[4]</sup>

**Tags:** staff <sup>[5]</sup>
