 Work-related child-care centres in Canada - 2001 ^[2]	224.71 KB

Description

The purpose of this study is to provide an overview of current practices pertaining to work-related child-care centres. It highlights the best examples in this area, and discusses what has been learned from the experiences, both positive and negative, of the child-care centres that participated. Previous and similar reports include: - Mayfield, M. (1988). Employer-supported child care: Three research studies, issues and recommendations. 'Canadian Journal of Research in Early Childhood Education', 2(2):149-158. - Beach, J.; Friendly, M. & Schmidt, L. (1993). 'Work-related child care in context: A study of work-related child care in Canada.' Childcare Resource and Research Unit: Toronto. - Schmidt, L.; Friendly, M. & Beach, J. (1995). Work-related child care centres in Canada: Private solutions to public policy. 'Canadian Journal of Research in Early Childhood Education', 5(1):47-58.
