REALITY CHECK

\$10 a Day Child Care Plan or Tax Credit?

The Liberals and NDP have promised to implement a Canada-wide system of \$10 a day child care, expand availability and fund fair compensation for early childhood educators. The Greens have also pledged support for universal child care. The 2021 federal budget provides \$30 billion over five years (and a minimum of \$9.2 billion annually after 2025–26) to build a system of child care. Conservatives will cancel the budget allocation and introduce a refundable child care tax credit.
