Please join Child Care Now Nova Scotia's webinar, presented in partnership with Child Care Now and funded by the Canadian Women's Foundation, on March 10, 2022 at 6 PM Atlantic Time. The purpose of this webinar is to discuss Nova Scotia's federal-provincial child care agreement in relation to rural child care. For a system of early learning and child care to be truly universal, rural communities must be included. Some of our speakers and panelists include:

Dr. Christine McLean, Susan Elliott, Nikki Jamieson, Morna Ballantyne

Please invite your friends and colleagues by directing them to this registration page.
