Wednesday March 23, 2022 from 7:00pm-8:15pm Eastern Daylight Time. The end of March marks the end of the first year of the Government of Canada's program to build a Canada-wide system of early learning and child care.

Child Care Now, Childcare Resource and Research Unit, and Canadian Child Care Federation will host a national webinar to discuss the progress to date following the federal government's historic \$30 billion spending commitment in Budget 2021.

The webinar will address the challenges and opportunities ahead to build a high quality, truly accessible, affordable and inclusive system of early learning and child care. Participants will have the opportunity to share information and ask questions. Please register now, and invite your friends and colleagues to do the same. The webinar will be recorded and uploaded to our Youtube channel for viewing after the event.
