Details

We invite you to join the AECEO team at our Community Open House on July 20th to learn more about how you can get involved with the AECEO and your local Community of Practice.

This will be an opportunity to connect with educators from across the province and in your local area and share in our collective

values of care and the power of community.

We'll pull back the curtain on the principles that guide the work of the AECEO, hear from ECEs already involved in an AECEO Community of Practice, and explore ways we can nurture our professional identities together.

No previous knowledge or experience with the AECEO required, all are welcome! Please share with your early learning community.
