In Pursuit of Equity: From Awareness to Action

A One-Day Virtual Summit

Friday, September 9th, 2022, 9:00 AM to 3:00 PM Eastern Time

Join us for a one-day virtual summit to extend upon the 2021 DEC/ECTA Equity Series (sessions archived here). We will begin the day with Ki Gross from Woke Kindergarten; then Carla Shalaby, author of *Troublemakers: Lessons in Freedom from Young Children at School*; and Deaf educator Akilah English of the Maryland School for the Deaf to wrap. We will meet in small groups between sessions to discuss and plan for how we will move from awareness to action this academic year. Looking forward to seeing you there!

Sign Up for the Attendee List Here*

The In Pursuit of Equity Series, including the Virtual Summit, is facilitated by Sheresa Boone Blanchard, PhD and Jen Newton, PhD. The series is sponsored by Division for Early Childhood (DEC) and Early Childhood Technical Assistance Center (ECTA). Learn more about DEC & ECTA.

**All attendees will receive access to the event recording. If you are interested in receiving the event recording only, you'll be able to make a note on the sign up page to let us know!*
