Excerpts

Wellington County, Ont. – The County of Wellington will launch a centralized application and waitlist for licensed child care in April 2024 using OneHSN software.

...

The Wellington-Guelph Child Care Application and Waitlist system will include a number of features designed to meet the needs of families. Highlights include:

- **Multi-Programme Applications:** The service will be able to manage applications to multiple licensed programmes, and for more than one child if needed.
- **Comprehensive Research Tools:** Enables families to thoroughly explore licensed child care options, authorized recreational programmes overseen by the County, and services throughout Wellington-Guelph, including location maps.
- **Financial and Special Needs Support Information:** Provides vital information on fee subsidies and special needs resources.
- **Flexible Access:** Users can manage their online applications to different licensed programmes in one centralized location anytime, anywhere.
- **Enhanced Security:** Ensures user privacy with a secure online platform.
