Excerpts

The Parti québécois (PQ) says it is alarmed by the number of health and safety complaints filed against private daycares.

...

Together, subsidized and non-subsidized private daycares were the subject of 77.2 per cent of complaints, even though they make up just over 40 per cent of the network.

In comparison, public daycares (CPE), which represent 35 per cent of the network, generated 19.4 per cent of complaints.

...

PQ family critic Joël Arseneau also accused the minister of deliberately choosing to offer low-quality services.
