

# Accessibility Statement for childcarecanada.org <sup>[1]</sup>

This is an accessibility statement from the Childcare Resource and Research Unit

## Conformance status

The Web Content Accessibility Guidelines (WCAG) require designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. childcarecanada.org is partially conformant with WCAG 2.0 level AA. Partially conformant means that some content parts do not fully conform to the accessibility standard.

## Technical specifications

Accessibility of WEBSITE\_NAME relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- WAI-ARIA
- CSS
- JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

## Limitations and alternatives

Despite our best efforts to ensure the accessibility of childcarecanada.org, there may be some limitations. Below is a description of known limitations and potential solutions. **Please get in touch with us** <sup>[2]</sup> if you observe an issue not listed below.

Known limitations for childcarecanada.org:

Online Document Catalogue entries: Uploaded images may not have text alternatives because older entries were not included in accessibility practices. We have been revising older entries. There are no temporary measures at the moment.

Website design: Images may not include alternative text, and contrast may not meet requirements. We continuously revise and update the website, a project that ensures compatibility. There are no temporary measures at the moment.

## Assessment approach

ORGANIZATION assessed the accessibility of childcarecanada.org by the following approaches:

Self-evaluation

## Date

This statement was created on 19 June 2024 using the W3C Accessibility Statement Generator Tool.
