Excerpt

The Métis Nation proposes that a Métis Nation ELCC system be built on the basis of the following principles:

1. A nation to nation and government to government approach.
2. This Framework aims to build on and support existing or future bilateral and tripartite processes that are in place between Canada and the Métis Nation as a part of ongoing work to address pressing socio-economic issues of the Métis Nation.
3. Métis Nation communities that have decision-making authority over areas that impact them are most likely to be successful at closing socio-economic gaps for children and families.
4. Métis Nation ELCC programs and services will support improved education, health and social outcomes for young Métis children, rooted in Métis culture.
5. Métis Nation ELCC programs and services will be delivered by the Métis Nation, through existing well-developed governing bodies that have accountable, effective program delivery infrastructures in each of its regions and can ensure the design and delivery of Métis-specific programs and services for its youngest citizens and their families.
6. Métis Nation ELCC programs and services will promote the self-governance and self-determination of the Métis Nation.
7. Métis Nation ELCC programs and services will be guided by considerations of efficiency, effectiveness, responsiveness, relevance, inclusivity, and strengthening of Métis culture, language and community.
8. Métis Nation ELCC programs and services will be informed by evidence and knowledge that includes traditional and community-based knowledge, best practice information, and data gathered from research and evaluation.
9. Métis Nation ELCC program and service implementation will be collaborative in nature, characterized by a shared commitment to partnering, developing and leveraging existing and new networks, and fostering linkages to improve overall program coordination, connection and continuity in programming and services.
10. Partnerships and collaborations will be undertaken in a climate of mutual respect, relationship building, renewal and cooperation.
11. The Métis Nation expects a shared accountability with other levels of governments and ELCC service providers to maximize opportunities for Métis citizens, communities and the Nation.
