## Description

On 29 January 2024, the ACCC released its final report for the inquiry into childcare services.

The final report contains the ACCC's findings and recommendations related to the impact of the Cheaper Child Care reforms, prices, costs, profits, competition within childcare markets and subsidies and price regulation models.

The final report also contains further analysis of family day care and in home care services, and summarises the feedback provided to the ACCC from stakeholders on the September interim report.
