Contact name: Customer service

Contact phone: 212-339-0345

Details

As we approach the 21st century, it is becoming increasingly clear that business enterprise is global. Markets are interconnected and work takes place 24 hours a day. The field of work-life in the United States, however, has been focused primarily on a national level. The 1999 Work and Family conference is designed to broaden our focus and to prepare us for the global issues that all business face.
