

Children's Defense Fund-1999 Annual National Conference ^[1]

Event Website: <http://www.childrensdefense.org> ^[2]

Details

Join more than 2,000 child advocates, concerned parents and grandparents, educators, community and business leaders determined to help all children get ready for school and achieve in school by building caring communities and successful futures for children.

More than 100 skills-building sessions will inform and empower child advocates, service providers, religious community and youth leaders, and public officials to act on behalf of children. Join us for four days of inspiration, information and networking.
