

IZA Workshop-Call for Papers ^[1]

Contact name: Melanie Ward

Contact phone: +44 228 3894 306

Details

to complete this prestigious program we invite papers in all areas of the economics of child care, with particular interest in:
Market orientated versus non-profit approaches to child care provision.

The international comparison of child care arrangements.

The demand and supply of child care systems, in particular the interaction between employment and child care.

Policy proposals.
