

Child abuse awareness training for professionals ^[1]

Contact name: Kathleen Alexander

Contact phone: (416) 415-2275

Details

For professionals who are currently providing services to children in a variety of agencies or organizations. Topics include defining child abuse; indicators of abuse; documentation; responding to disclosures; steps in reporting and investigation; legal statutes; witnessing spousal abuse; allegations against individuals working with children; individual coping skills; helping families deal with child abuse; role of the community; child abuse prevention; assessing child abuse prevention programs; developing policies and procedures within your organization.

Students will receive a Certificate from the Toronto Child Abuse Centre.

Students may purchase the manual developed by the Toronto Child Abuse Centre at the workshop entitled, "Making a difference: The child care community's response to child abuse" at the special workshop price of \$39.95 (optional).

Workshop fee: \$65.00

For more information and registration materials, please contact Kathleen at the number below.
