Details

Join us in Albuquerque, New Mexico for NAEYC's National Institute for Early Childhood Professional Development, June 9-12, 2002. Whatever role you play as a leader and mentor in the profession of early childhood education, the Institute is a unique opportunity. Through sessions with national leaders, networking opportunities, and other settings, you'll learn and share with colleagues from around the nation. Join us in Albuquerque and: * discuss new research and innovative practices in early childhood development and learning, * develop culturally responsive relationships, * learn how to use the new NAEYC Standards for Early Childhood Professional Preparation, and * exchange ideas on preparing professionals to help young children and families in times of crisis and stress.
