## Details

This conference is sponsored by The Saskatchewan Early Childhood Association. The theme for the conference is to aspire to the care for this province's children. The conference looks at the role of early childhood educators, caregivers, cooks, teachers and parents who strive daily to provide excellent learning and care for children.

Keynote speakers:

ERIC NAGLER is a master of many instruments and shares the joy of music making with kids and their parents. He facilitates small group workshops called Introduction To Intimacy which explores how to put more love in our lives.

ROB CHUBB has over 25 years experience as a Child & Youth Care Worker, Foster Parent, Post Secondary Educator and Business Entrepreneur. He presents on saturday morning "The person who laughs... lasts!"

CAROL JOHNSON (B.Ed) has over 30 years experience supporting individuals and adults who are experiencing behavioral or learning difficulties. She will close the conference with "On to the next step".
