The Yukon Child Care Association would like to share some information from the Child Care Advocacy Association of Canada.

This is the time to make our federal politicians aware that child care must have more funding to survive.

To all our politicians, please assist us in making our message heard.

To the Yukon candidates running in the upcoming federal election: the Yukon Child Care Association would like to invite you to its annual general meeting on June 1, 7 p.m. at the union hall. We would like to hear your thoughts on child care.
