Description:

The Ontario Coalition for Better Child Care is producing a summer series of bulletins on Ontario's recent report With Our best future in mind: Implementing early learning in Ontario. In addition to providing information directly from the report, the OCBCC is collecting questions about the report, the impact on early learning and child care programs and ideas.

Bulletin #3 covers what does the report say about the role of municipalities? And what does the report say about funding for infants to four year olds? The bulletin further identifies questions from the early learning and child care sector on these issues.
