

From vision to action: Early childhood education and care in 2020 ^[1]

Martha Friendly and Susan Prentice

31 Oct 2008

7pp

This BRIEFing NOTE presents a vision for what an universal early childhood education and care system in Canada might look like from the program to the policy level. It explores the potential for Canada to move from a patchwork of disjointed programs - many of them of mediocre quality - to a comprehensive high quality system and suggests changes that would put such a system in place.
