International comparisons using data from *Starting Strong II* (Organisation for Economic Co-operation and Development, 2006)

This BRIEFing NOTE situates early learning and child care in Canada in the international context using the work of the OECD's *Thematic Review of Early Childhood Education and Care*. It first presents an overview of the review's eight year project. Second, it examines the review's final recommendations in *Starting Strong II*. Third, it presents data from *Starting Strong II* to situate Canada internationally.
