Details

SpecialLink is pleased to announce that the Canadian Council on Learning has agreed to fund the project, Early Childhood Inclusion: Applying Lessons Learned Symposium & Source Book. This work will allow SpecialLink to apply shared knowledge of early intervention and inclusive practices for children with special support needs. The national transdisciplinary gathering of researchers and the practice communities will be held August 21-23 2008 at the University of Winnipeg. In its lead-up, participants will help to develop the themes and symposium agenda; will influence the documentation which occurs through the event; and the subsequent writing of papers and bulletins, and the source book itself.
