Re: For parents, a pittance and sneers, Opinion Feb. 7

Thanks to Heather Mallick for calling out MP Diane Finley on her absurd comments about how Canadians should raise their children.

I am a stay-at-home mom in Ms Finley's home riding of Haldimand-Norfolk. In the last election, I used my vote to speak against Conservative policy. Next time, I think I'll use that \$100 to begin paying for some daycare so I can actively work against her re-election campaign.
