With the recent launch of UN Women (24th February), and the 100th anniversary of International Women's Day (8th March), the Guardian is collecting messages to and from the world's women on the issues that matter most. What are the top issues for women in your country? What will it take to make gender equality a "lived reality"? <a href=<http://www.flickr.com/groups/globalwomensvoices>>Add ^[4] your voice to the Flickr group.
