Excerpts from the IVote ChildCare report card:

The Conservatives, Liberals and the NDP say they will continue to expand Full Day Kindergarten.

The Liberals talk about before and after school care for children 6-12 years.

The NDP say they will make immediate investments of \$250 million over two years to stop closures and save child care spaces.

The Green Party do not mention child care in their platform.

None of the parties talk about building a public and non-profit early learning and care system for all children 0-12 years
