

# Early learning and child care services for Canada: Building advantage from the foundation <sup>[1]</sup>

**Author:** Child Care Advocacy Association of Canada

**Source:** Child Care Advocacy Association of Canada

**Format:** Report

**Publication Date:** 19 Dec 2006

## AVAILABILITY

Submission in pdf <sup>[2]</sup>

Excerpts from the document:

In response to the federal government's Advantage Canada strategy, the CCAAC points to the very important statement within the document that "when government policies and plans are complementary, their positive impact is multiplied." We offer the following points outlining how child care relates to building a strong, sustainable modern economy, and why a focused investment strategy is necessary.
