Details

Today in British Columbia (BC) there is a groundswell of support for affordable child care. It's part of a community plan for a public system of early learning & child care.

Beginning in 2010 the Coalition of Child Care Advocates of BC & the Early Childhood Educators of BC started a conversation with thousands of people.

That province-wide dialogue has led to more than 6,000 organizations and individuals (so far) endorsing their plan for an integrated public system of early learning and child care.

YOU CAN FIND OUT HOW THEY DID IT and HELP TO BUILD MOMENTUM HERE IN ONTARIO.

Guest Speaker: Sharon Gregson - Coalition of Child Care Advocates of BC
as well as speakers from CUPE Ontario and the Ontario Coalition for Better Child Care
