Description:

With Dalton McGuinty having stepped down as leader of the Ontario Liberal Party, there will be a convention to determine the new leader at the end of January.

The new leader will become the Premier of Ontario until the next provincial election.

We're reaching out to each of the candidates running for the leadership to ask them what their vision for Ontario's child care sector is.

There is no doubt that our sector is undergoing a major transformation , and we want to know their vision for Ontario's early learning and child care system.
