Excerpts:

Objectives:

The objectives of the Third Day of Dialogue were to:

- To identify strategic steps that can further advance First Nations, Métis, and Urban Aboriginals' vision for the future in Early Childhood Development.
- An opportunity to engage membership on their thoughts and ideas to improve upon existing and/or new practices for the Reinvestment Initiative
- To look at our community's needs and gather feedback regarding best practices via participant survey on the benefit of the Reinvestment Initiative of communities and organizations across British Columbia; and,
- to evaluate the Steering Committee's structure and purpose
