

# 2011 National Household Survey (NHS) <sup>[1]</sup>

**Author:** Statistics Canada

**Source:** Statistics Canada

**Format:** Report

**Publication Date:** 8 May 2013

## AVAILABILITY

2011 National Household Survey: Aboriginal Peoples in Canada: First Nations People, Métis and Inuit <sup>[2]</sup>, The Daily, 8 May 2013

2011 National Household Survey: Immigration, place of birth, citizenship, ethnic origin, visible minorities, language and religion <sup>[3]</sup>, The Daily, 8 May 2013

## Description:

This voluntary, self-administered survey was introduced as a replacement for the cancelled, mandatory Long Form Census, more widely known as Census Form 2B.

Statistics Canada and other experts have expressed concerns about the quality of some of the data, see related links below.

The 2011 National Household Survey **analytical documents** <sup>[4]</sup> provide a national overview of key findings from the 2011 National Household Survey. Where applicable, this analysis is complemented with short articles on specific topics of interest in the NHS in Brief series. Also, highlights are available for various levels of geography through the NHS Focus on Geography Series.
