Details

Childcare is an issue that affects women's ability to work. It is important to parents that their children are safe, and in a high-quality, licensed programs that focus on the needs of each and every child.

The quality of children's care is being threatened by the provincial government's proposed changes to child care regulations.

Join us at the Toronto Women's Day march to stand up for the quality of our children's care!

11a.m. : Reception and refreshments. Sign-making materials will be available.

1 p.m. : March and Rally
