□

All families need quality child care they can afford and count on.

This election, vote for a Federal Government that:

- commits to long-term sustained federal funding and leadership.
- comes to the table with the provinces, territories, and Indigenous communities ready to build a public, non-profit system that we can all count on.

This fall, ask the candidates,

"If you are elected, what will you do to develop and action plan for quality child care all families can afford and count on?"
