

Footsteps toward a brighter future: Encouraging healthy living practices^[1]

5 Nov 2015 - 12:00am to 7 Nov 2015 - 12:00am

Region: British Columbia^[2]

Details

BC Aboriginal Child Care Society 18th Annual Provincial Training Conference

At BCACCS, a primary focus of our training and professional development events is to translate our culturally rich traditions into effective early childhood development (ECD) programs and services. We believe that community involvement, leadership, and support are central to the healthy, holistic development of Aboriginal children. We seek to promote the capacity of ECD professionals to design and deliver programs and services that are immersed in our cultures and communities.
