Child care matters to everyone: Coalition building for a real child care system in Ontario

Presenter: Carolyn Ferns, Public Policy and Government Relations Coordinator

This talk will discuss the current work of the Ontario Coalition for Better Child Care in pushing for a real child care system in Ontario. We are broadening and deepening our coalition to show that child care really does matter to everyone and push for transformative change for Ontario's early childhood education and care service.

Location: Room 3-104, OISE, University of Toronto, 252 Bloor St W, Toronto, ON. M5S 1V6
