

# Child care services over the period of the pandemic

**UPDATE:** As a result of all of the changes and the implementation of re-opening guidelines and protocols for P/T across Canada we are no longer updating this 'Summary chart - State of child care during COVID-19 by province/territory'.

## Summary chart - State of child care during COVID-19 by province/territory

This table provides summary information about provincial/territorial initiatives and responses to child care in the COVID-19 pandemic in Canada. Title: *Child care during COVID-19 – Provinces/territories - Operation of services, emergency services and funding and re-opening*.

More detailed information can be found in the provincial/ territorial table.

## Table on the status of child care in Canada and the COVID crisis – Provinces/territories

The information in this provincial/territorial table has been gathered using government information, media sources and individuals in the field. We have made every attempt to make it as correct and up-to-date as possible; we will be updating it on a regular basis as long as necessary. Thanks to Don Giesbrecht (Canadian Child Care Federation <sup>[1]</sup>) for sharing information. Title: *Status of child care in Canada in the COVID crisis – Provinces/ territories*.
