Press release - A government close to families <sup>[2]</sup>

One child, one space

"Many families still have problems finding daycare spaces for their children. Nearly 222 000 spaces have been created, but needs are estimated at 250 000 spaces. I am announcing that we will fund 28 000 new spaces at \$7, which will fulfill these needs. We will finally be able to say with pride: one child, one space," the Minister proudly declared.
