Government documents

Budget website ^[1]

Health and Social Services has budgeted \$429,000 for the enhancement of the Homecare program. We are also increasing support services to children and adults with disabilities. Examples include: \$50,000 for the Handibus; \$364,000 to support adults with disabilities day programming and residential services; \$200,000 to increase access to services and equipment for children with disabilities; and provision for an additional speech and language pathologist position at the Child Development Centre.
